## Questions To Ask Representatives

Take advantage of this opportunity to obtain first-hand information about careers that interest you. Consider asking the following questions:

- What are the main soft and technical skills that your organization looks for in a new hire?
- What type of person succeeds in your organization?
- Are there internship or co-op opportunities in this field?
- From which disciplines do you typically hire from?
- What duties and responsibilities does this position entail?
- What kind of work/volunteer/extra-curricular experience is considered for employment with your organization?
- Does your organization support internal and external training and development?
- What criteria does your organization use to assess candidates during an interview?
- Are there any professional networking opportunities that you would recommend?
- Are there individuals in your organization who would be willing to discuss their careers in more detail with me?
- What advice do you have for university or college students/graduates regarding their job search?
- For contract, summer, co-op and part-time jobs, what are the terms of employment for this position – hours of work, length of employment, location and compensation?
- How would you describe the culture of your organization?

## YMCA of Greater Toronto - Summer Work Student Exchange

The YMCA Summer Work Student Exchange is a national exchange program coordinated by the YMCA and funded by the Department of Canadian Heritage. For six weeks over the summer, the exchange takes 16 and 17-year-old youth (from Canada) to another province where they stay with a local host, hold a paid job, and practice their second official language. The youth also participate in weekly program activities organized by the Local Coordinator in their new community.

**Positions Available:** Local Coordinators provide leadership and bring the exchange to life in their local community. They will widely promote the program to youth and community organizations (March-May); interview, select and prepare the outbound youth participants for this experience (May-June); plan and deliver a full program of activities during the exchange, and support the inbound youth participants by helping them navigate change and address conflicts as they arise (July-August).

Local Coordinators must be full-time post-secondary students.

**Employment Type:** Summer | Contract
